# Advocacy Letter Update

- Board of Supervisors has already taken a Support position on AB817
- Advisory Boards can NOT send an official support letter to legislators indicating that they are Advisory Boards to our Board of Supervisors, and affirm the Board's position.
  - This is outlined in the Administrative Bulletin 110.5 stating that only those Advisory Boards or Commissions specified in the attachment A can engage in advocacy. Neither the COC nor the HCH Governing Boards are on this list.
- Individuals (outside of their role on the bodies) can send letters about legislation, of course.
- Asking about away to get advisory bodies added to Attachment A for future advocacy since both of these are either state or federally mandated bodies, but as of right now the HCH Governing Board cannot engage in advocacy.
